

When do you wear sunglasses?

At night

When it's  
sunny outside

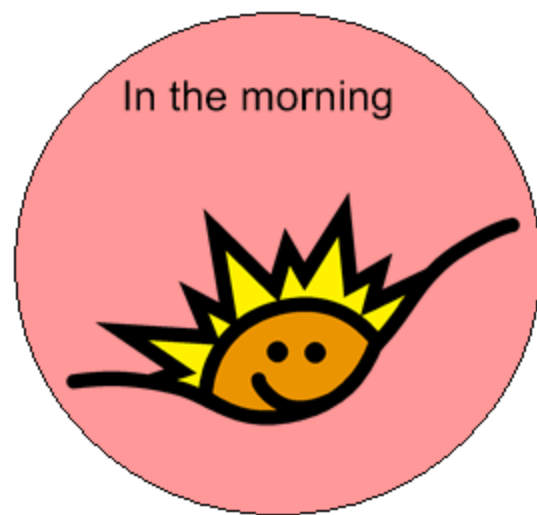

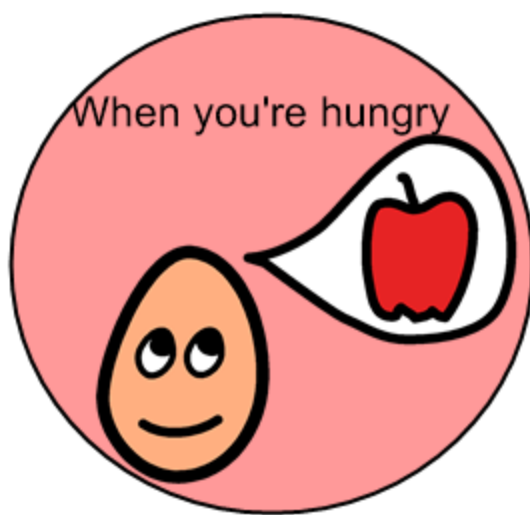

When I'm inside

When do you answer the phone?

When do you eat breakfast?

At bedtime

In the morning

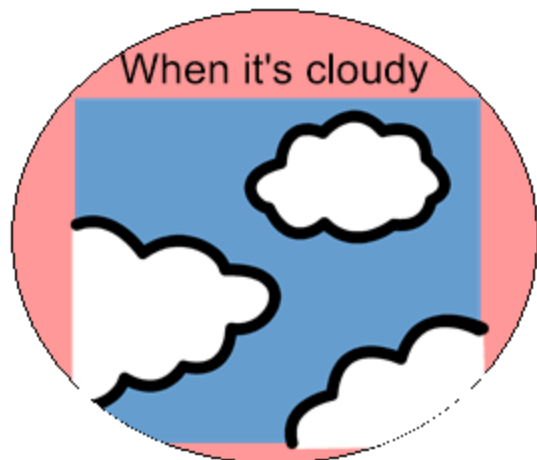

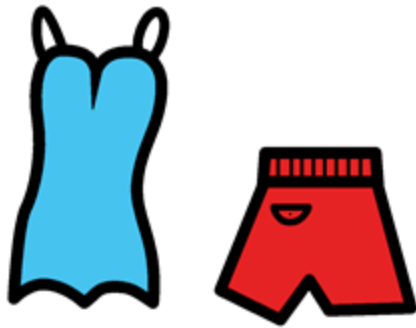

At night

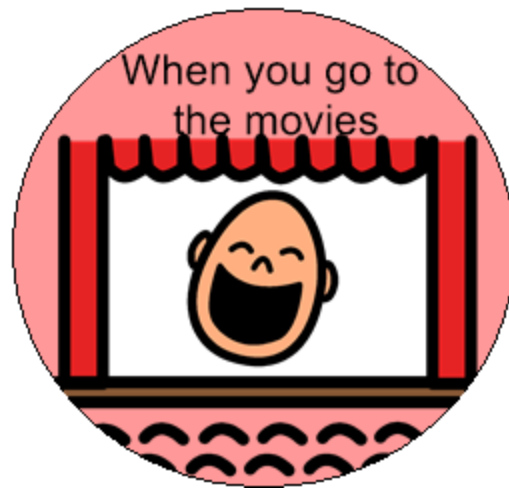

When do you use an umbrella?

When do you wear a swimsuit?

When do you put on pajamas?

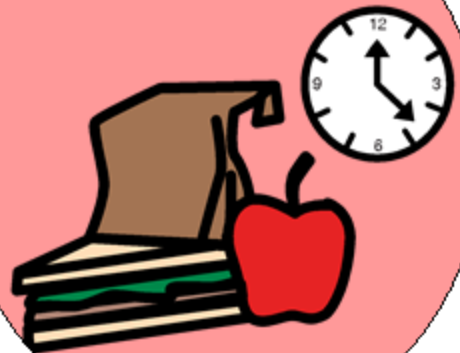

In the morning

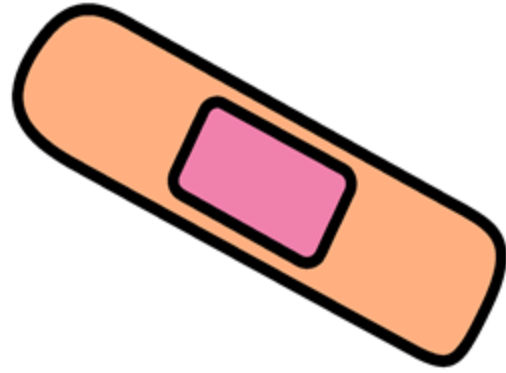

At bedtime

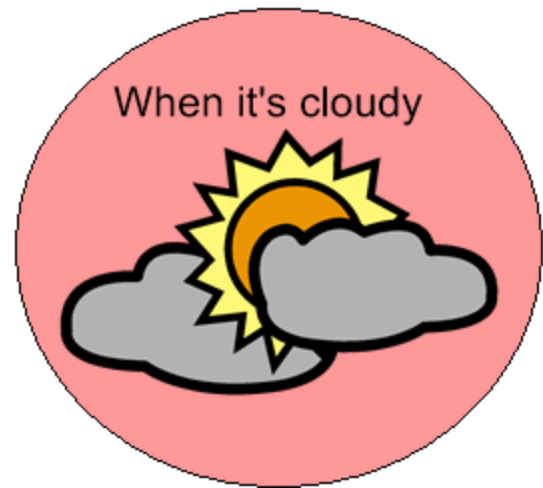

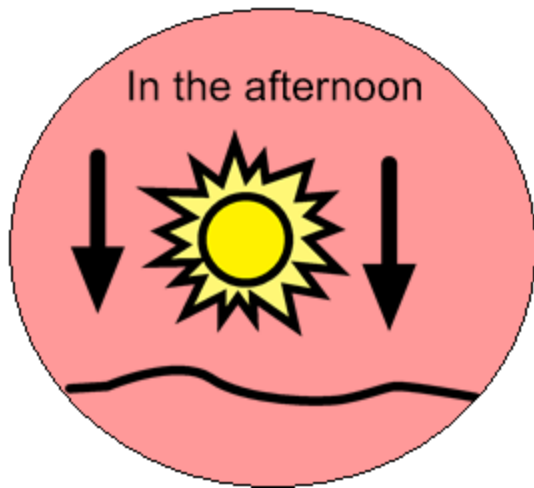

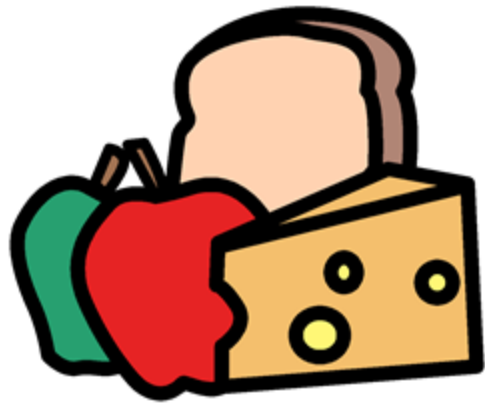

At lunchtime

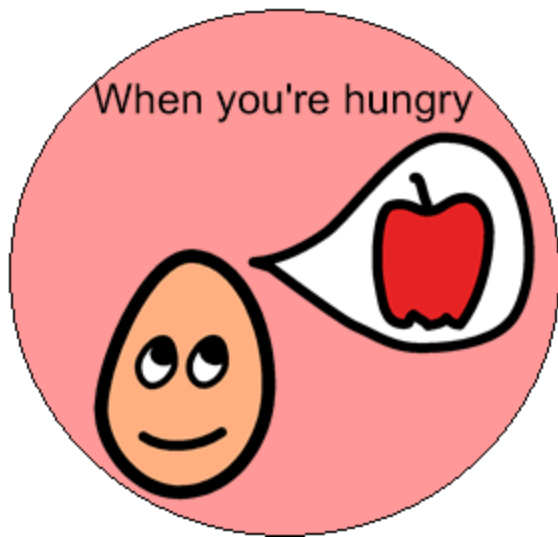

When do you need a band-aid?

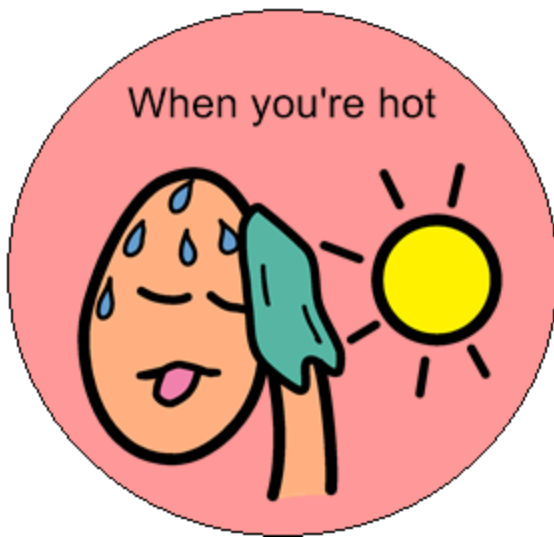

When do you eat food?

When you're hungry

When you're hot

When you're cold
