

Color Wheel Find

2nd grade E-Learning (estimated time: 1/2+ hour)

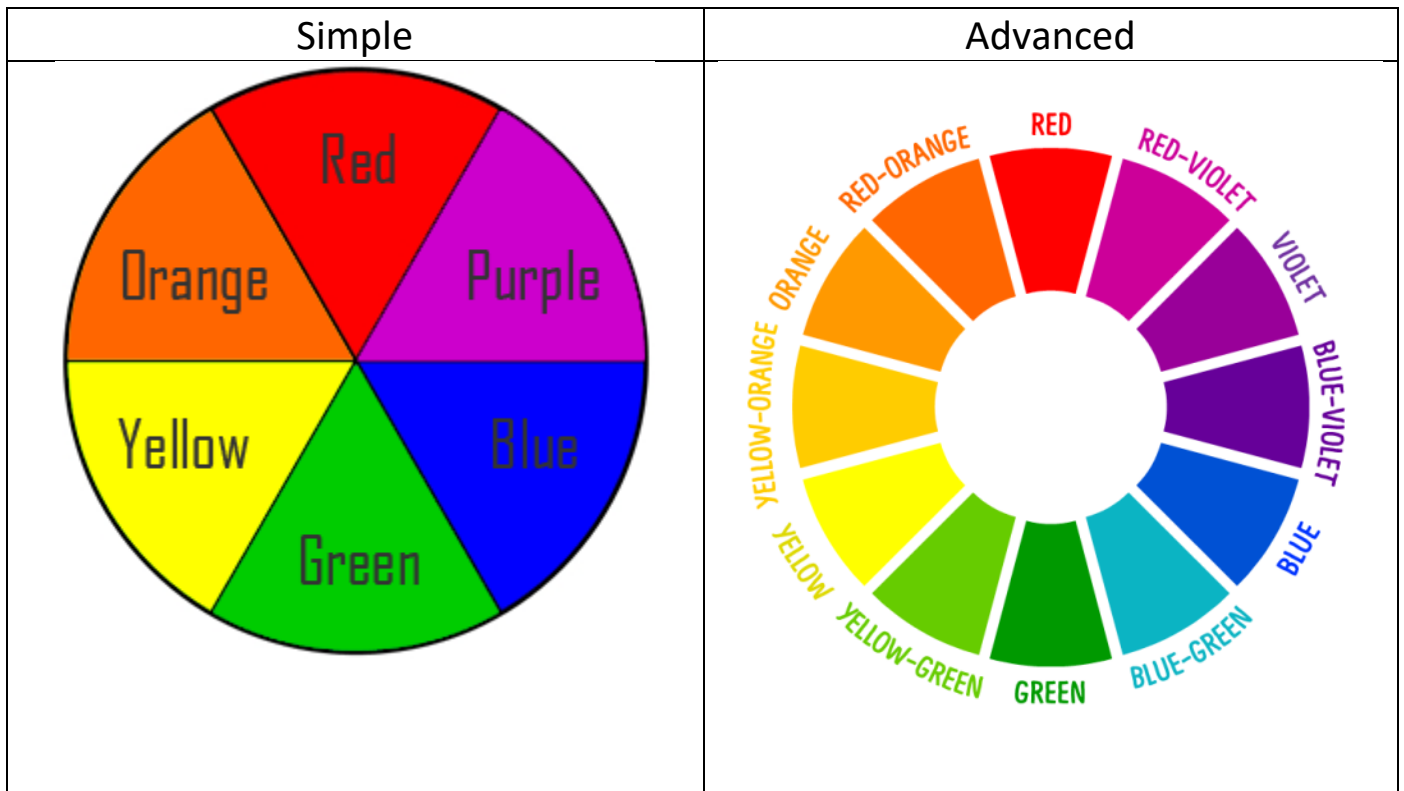

Materials: Anything around your house!

Directions:

We have been learning about colors and the order of the Color Wheel.

1. Let's make our own color wheel using objects from around our house.
Put them in order. (you can try the Simple or Advanced color wheel)
2. Stand back and take a picture with your Chromebook or parent's phone.
3. Email me your color wheel picture at mlarson@emsd63.org
