

## Snail Collage Art

**Materials:** Circle Tracer, Coloring supplies, Paper, Scissors, Glue

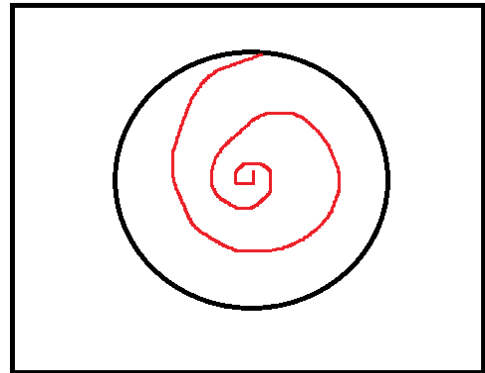

**Directions:**

1. Watch the link below. It is a read aloud book called Snail Trail which is about a famous art who was inspired by a snail [Snail Trail](#)
2. Get a Large Circle Tracer to fill your paper. (Could be a Bowl)

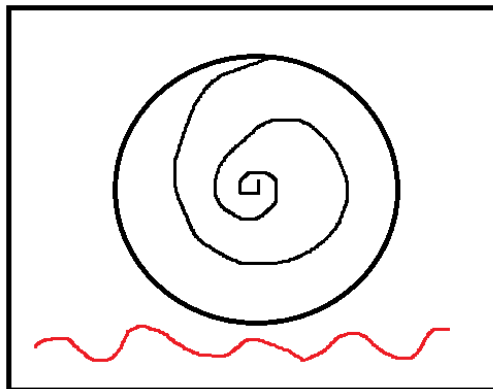

3. Trace your circle in the middle.

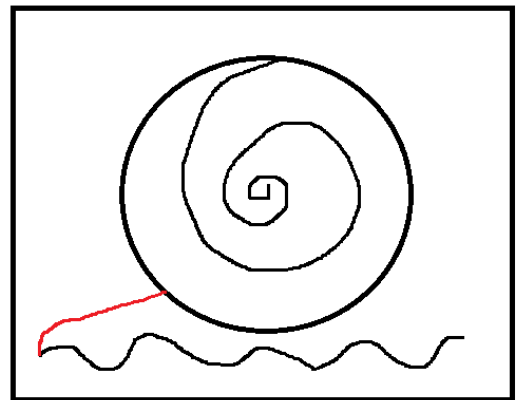

4. Draw a Spiral Line in the Center of your circle

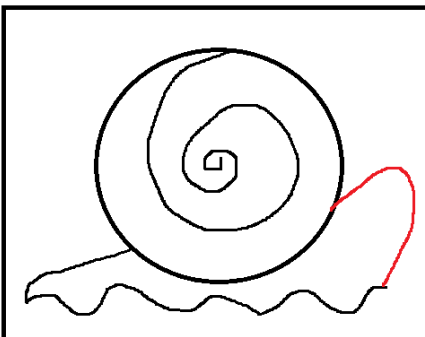

5. Draw a wavy line under your circle- longer than your circle

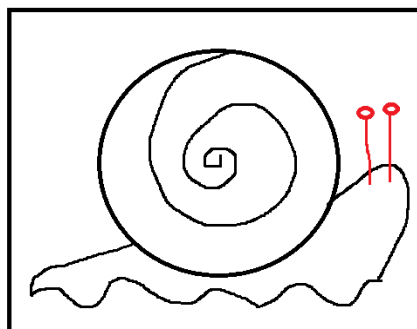

6. Draw a line to connect the wavy line to the back of the shell.

7. On the front of the shell- Draw Loop, Curve Line UP to make the head of your snail

8. Draw 2 straight lines with small circles on top for the snail's eyes

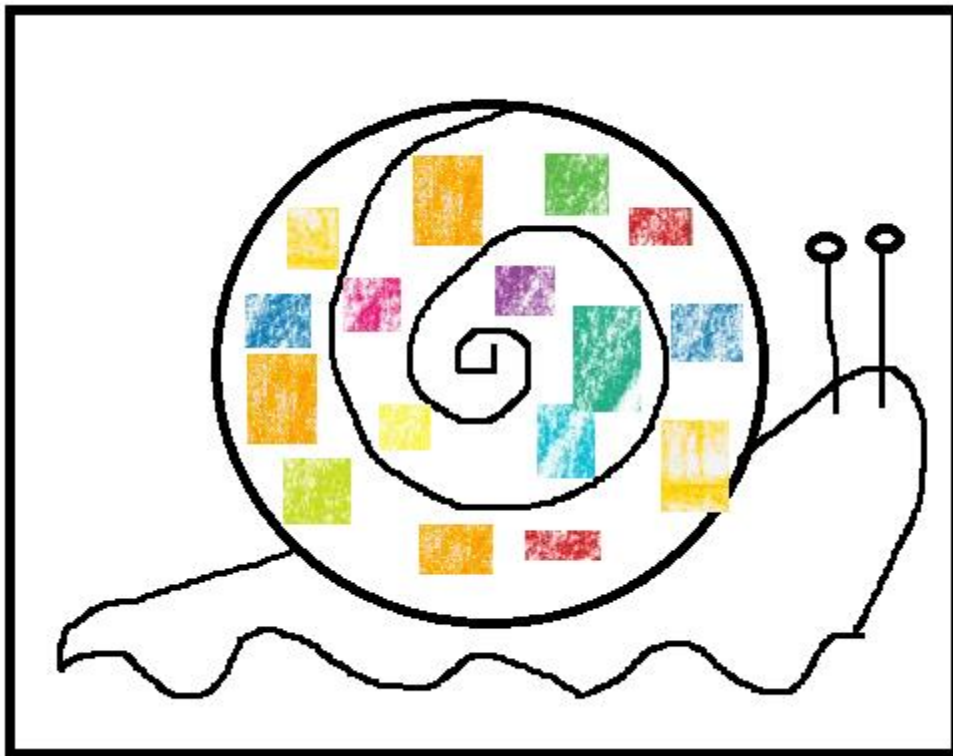

NOW:

Color some scrap pieces of paper with different colors. A blue paper, green paper, red paper, etc.

Cut them into squares and glue them inside the spiral of the shell! Like the famous artist HENRI MATISSE!

Color the rest of the snail anyway you want!
