1. Make a shape: Triangle, Circle, Moon/Crescent, Heart, Star, etc...

It should be between the size of a quarter and an orange

2. Draw the same shape repeatedly until you touch the edges of the paper
3. Trace your hand below your first shape, so it looks like you are reaching for it.
4. COLOR the **outside parts COOL** colors (blues, greens, and purples) and the **inside of your hand WARM** colors (reds, oranges, yellows, and pink)
5. Take a picture of what you accomplish and email it to me, don't forget to include your name and class/teacher in the email.
