

Our 1st Grade Classroom News

August Newsletter

Message from Ms. Pavel

Dear First Grade Families,

The 2022-2023 school year is off to a great start! I have enjoyed getting to know each student over the past couple of weeks. They have been fully embracing the meaning of teamwork! I hope you enjoy reading this newsletter and getting a glimpse of our learning.

All the best,
Ms. Pavel

Our Learning

Reading: Students have been building their reading stamina. We met our goal of 15 minutes! Starting this week, books will be sent home with students for their nightly reading. Students should read for at least 15 minutes each night.

Writing: Students created a heart map to generate writing ideas. Their heart maps were filled with people, places, and things they love. Students have been learning to express their thoughts through pictures and words.

Math: Students have been exploring and comparing numbers through the use of a number strip. We will continue to develop our number sense as we explore the relationship between numbers.

Reminder

Despite it being warm outside, it is often cold in our classroom. Please send your child to school with a sweatshirt to keep in their locker.

Upcoming Dates

September 1st: Open House

September 5th: No School

September 9th: Early Dismissal

September 9th: PTO Fall Fest

September 26th: No School
