

# Sight Word Practice Ideas for Home:

Here are some ways to practice sight words at home:

- Write the words in colored markers or pencils
- Use letter magnets to spell the words
- Use the words to say or write a sentence
- Make duplicates of the sight word cards and play the memory game
- Sight Word Scavenger Hunt: Find sight words on food boxes or other available print material (magazines, grocery shopping, street signs, etc.)
- Write sight words with "Playdoh"
