

Washington School Supply List

Dear Parents,

The following list of school supplies is designed to help you prepare your child for their upcoming school year. It is highly recommended that all supplies be purchased and organized prior to the first day of school. **All supplies will be kept at school.** Every child should have a backpack. All backpacks must fit into the lockers (lockers are 11" x 11"). We do not allow backpacks with wheels or any that exceed those measurements. We must follow our fire safety rules and keep all hallways clear. Please contact us with any questions. We look forward to a new school year, filled with learning and fun!
