

EAST MAINE SCHOOL DISTRICT 63

Dear Parent/Guardian,

All students entering sixth grade in the fall of 2017 are **required** by the State of Illinois to have a Physical Exam and Immunization Form completed and in the nurse's office before school starts in August. **Your child will not be able to start school without this required information.** Proof of a Dental Exam is due by May 15, 2018.

Please make sure that your doctor uses Illinois physical exam form (rev. 11/2015), which has two pages and includes the required diabetes screening. The second side of the physical exam starts with the health history area which must be filled out by the parent/guardian, signed and dated. The Physical Exam area must be completely filled out by the physician.

Incomplete forms or missing required documentation will be returned to the parent for completion. Always keep a copy of your child's medical records at home.
