JORDI CAMPS NAMED EXECUTIVE DIRECTOR OF BUSINESS SERVICES FOR EAST MAINE DISTRICT 63

FOR IMMEDIATE RELEASE (Des Plaines, May 6, 2016) – At its meeting on May 4, The East Maine School District 63 Board of Education approved the appointment of **Jordi Camps** as the District’s new Executive Director of Business Services. Camps will replace David Bein, who has accepted a position as Assistant Superintendent for Business with Downers Grove School District 58.

Camps, a certified public accountant, previously held several positions at Motorola Mobility and Motorola Solutions, beginning his tenure as a credit and financial analyst for the Latin American Region and ultimately serving as Operations Controller – Product Development, successfully administering a \$400 million budget. He holds a BS in accounting and finance from Florida International University and an MBA from DePaul University.

"These are challenging financial times for Illinois school districts," noted District Superintendent Dr. Scott Clay. "Mr. Camps will bring a level of experience and financial acuity to District 63 that helps us navigate the next few years, stay fiscally sound, and focus on what we do best: provide a strong learning environment that supports each student’s unique pathway to academic success."

Born and raised in Venezuela, Camps is excited about the opportunity. "Putting my skills to work for a public school district has long been a professional goal – and I’m particularly eager to join District 63, which truly celebrates its diverse student population," he explains. A native Spanish speaker, Camps adds, "Like many of our students, I came to the United States from another country, and I bring that perspective with me."

District 63 offers a rich educational setting with a multicultural perspective to 3,600 students in the diverse communities of Des Plaines, Niles, Glenview, Park Ridge, and Morton Grove. Committed to teaching excellence that provides all students with the specific opportunities they need to succeed, the District’s six elementary schools (K-6), and Gemini Junior High (7-8), preschool, and afterschool programs foster each student’s academic, social, emotional, and behavioral growth and achievement.
